## When deciding how much to set aside for next year's medical expenses, think about the following:

- Does anyone in your family have any medical, dental or vision expenses that will not be covered by insurance?
- Does anyone in your family need prescription eyeglasses, contact lenses and contact solutions or cleaners?
- Is anyone in your family currently in orthodontics (braces) or do you expect anyone to begin treatment in the next year?
- Does anyone in your family have an ongoing illness that requires frequent doctor visits and/or medication?
> *Election amount may not exceed your plan's cap or the maximum contribution amount allowed by the IRS, whichever is less.
